

# Lesson 1: Overview of the Creative Process and Creative Thinking

## Warm-Ups

Purpose: Use to stimulate creative thinking within a group or organization.

### **Activity 1: Alternative Uses Task**

Think of 10-15 things you can do with a funnel and list them below.

Share what you came up with others. Did their ideas give you new ideas? If so, please list them below.

### **Activity 2: Finding Similarities**

Write down the first 6 objects that come to mind.

Find a partner.

Pick one object from your list and on the count of three, say your object to your partner.

You and your partner think of 10-15 ways in which your objects are similar.
