

## Building Verbal Intelligence: Daily Mindsketching

© J. Juntune

Things you eat for breakfast.

Things that swim.

Things that roll.

Things that make noise.

Things that give light.

Things you can push.

Things that are soft.

Things that have corners.

Things that are tall.

Things that have legs.

Things that have a nose.

Things that are houses or homes for people,  
or animals.

Things that fly.

Things you can cook.

Things that are green.

Things that are round.

Things that are slippery.

Things you can drink.

Things you use at school.

Places where you can read a book.

Things you find in the kitchen.

Things you would find in a grocery store.

Things that have eyes.

Things that are cold.

Things that have wheels.

Things that are sweet.

Things you would see on a playground.

Things you could do at the park.

Things that move.

Things that start with the same letter as  
your name.

Games you can play with a ball.

Things that come in two's (2s).

Things that are red in color.

Things that are loud.

Things that are round.

Things you can do in the water.

Things that can't move on their own.

Things that make me smile.
