

## Building Verbal Intelligence: Mindsketching Vocabulary

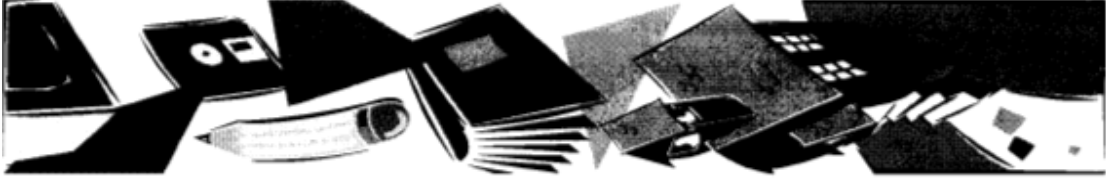

© J. Juntune

### -The Vocabulary Assignment Process-

- 1) Write the word.
- 2) Look it up in the authority source you are using.  
(dictionary, textbook glossary, text, etc.)
- 3) Read the definition.
- 4) Make a sketch that represents the definition.

Be ready to explain to someone else how your sketch represents the definition.

### -Class Sharing of the Vocabulary Words- with a Partner

- 1) Share the sketch (Both partners do this.)  
Why does it represent the definition of the word?
- 2) Look up the word in the authority source.
- 3) Read the definition.
- 4) Check both sketches against the definition.
- 5) Make any changes that are needed to represent accurately the definition.
- 6) Create an "essence" phrase for the word.
