

Building Verbal Intelligence: Draw and Mindsketch

© J. Juntune

Mindsketching

Drawing

- communicating an idea to someone else
- using elaboration
- using detail to communicate the idea

Sketching

- communicating an idea only to yourself
- using very few lines—basic lines

Things to sketch and share:

1. Things that are green in winter.
2. Things that move quickly.
3. Things that make me laugh.
4. Things that are the size of a penny.
5. Things that live in the desert.
6. Things that start with the letter M.
7. Things that I like to eat.
8. Things that are special treats.
9. Games I like to play with my friends.
10. Places I can find rocks.
